Dedan Kimathi University of Technology (DeKUT) is a full-fledged Public University, with its Main Campus located in Nyeri Town and Nairobi CBD Campus located on the 10th floor of Union Towers at the junction of Moi Avenue and Mama Ngina Street.

Following a successful bid for funding of Post Graduate training in Engineering programs by African Development Bank (ADB), through the Ministry of Education, Science & Technology, DeKUT has been mandated to train academic staff in Public Universities and Public Technical Training institutions for capacity building. DeKUT would therefore like to invite applications for scholarships from suitably qualified applicants, currently academic staff members in Public Universities and Public Technical Training Institutions, for the Masters programs shown below. The applicants’ upper age limit is 40 years. The scholarship will cover Tuition and Research fees only and does not cover subsistence or upkeep allowances.

work design, system engineering, operations management & research, Safety Engineering, Maintenance Engineering and engineering economy.

Engineering Degree recognized by the University Senate.

MSc. In Advanced Manufacturing & Automation Engineering

To train a set of advanced and emerging manufacturing technologies and skills that can be deployed to increase the efficiency, productivity and profitability of modern manufacturing industry. These technologies include; Computer Aided Design & Modelling, Industrial Robots, Flexible Manufacturing Systems, Intelligent Inspection Technologies, Rapid Manufacturing, Automated Assembly, and Lasers based Manufacturing Processes, Computer Control Systems.

A holder of a Bachelors of Science in Mechanical, Electro-Mechanical or Mechatronic Engineering with at least Second Class Honours, Upper Division from a recognized University or any other equivalent Engineering Degree recognized by the University Senate

2 years

Application forms may be obtained from Dedan Kimathi University of Technology Main Campus or Nairobi CBD Campus, or downloaded from the University website www.dkut.ac.ke. The Programs are scheduled to start on May 5th 2014. Eligible candidates interested in these programs are invited to apply. Applications should be directed to either of the following contacts, to be received by 10th April 2014.
