

THE TECHNICAL UNIVERSITY OF KENYA

MODULE II BACHELORS DEGREE, DIPLOMA AND CERTIFICATE PROGRAMMES

STARTING SEPTEMBER 2014

THE Technical University of Kenya (TUK) and its predecessor institutions have excelled in technological education and training at all levels from technician to technologists and engineers. In this pursuit therefore, the university offers opportunities for upgrading training that recognizes credit transfer from one level to another. Holders of diplomas and higher diplomas can attain bachelor's degree qualification which will in turn enable them pursue postgraduate studies.

Pursuant to the above, TUK invites holders of Diploma in Technology, and Higher Diploma in Technology to pursue studies leading to Bachelors qualification in the respective areas. In addition KCSE holders are invited to apply for admission to Diploma and Certificate programme. The reporting date is 2nd September 2014.

The details of programme requirements and fees structure are available on our website www.tukenya.ac.ke.
