1. LIST OF PROSPECTIVE GRADUANDS

The Technical University of Kenya wishes to inform all students who qualified for the conferment of various degrees and award of diplomas, at the end of 2023/2024 academic year, that they can now download the list of prospective graduands using the link provided below:

This list is being **updated regularly** as additional results are approved by the University Senate.

2. EXTENSION OF THE DEADLINE FOR CLEARANCE TO GRADUATE

Please note that the deadline for clearance to graduate has been extended to **Friday, 15th November 2024**. You now have until that time to initiate the process online through the Student Portal <https://portal.tukenya.ac.ke>. It is also important to note that clearance to graduate requires that you have **ZERO fees balance**.

Students who **failed to graduate in previous years** on account of fees balances are advised to *seek clearance* from their *respective Schools*.

3. ORDER OF NAMES

Prospective graduands are advised to confirm that their names are in the *order in which they appear in certificates* they presented when they were admitted to the University.

In case of any **discrepancy**, a prospective graduand is advised to submit *copies of the certificates* used to the office of the Academic Registrar.

Please note that the **order of names** in the graduation booklet determines how names will be captured on the final certificates and any correction thereafter will attract a fee.
