1. LIST OF PROSPECTIVE GRADUANDS

The Technical University of Kenya wishes to inform all students who qualify for the conferment of various degrees and award of diplomas, at the end of 2023/2024 academic year, that they can now download the list of prospective graduands using the link provided below:

This list will be updated on Friday 1st November 2024 since Senate has approved additional results from the respective Faculties.

Please note that clearance to graduate requires that you initiate the process online through the Student Portal <https://portal.tukenya.ac.ke> and that you have **ZERO fees balance**.

It is important to also note that only those who would have cleared with the respective departments/units of the University on or before **Wednesday 6th November, 2024** will be allowed to graduate.

Students who **failed to graduate in previous years** on account of fees balances are advised to *seek clearance* from their *respective Schools*.

2. ORDER OF NAMES

Prospective graduands are advised to confirm that their names are in the **order in which they appear in certificates** used for admitting them to the university.

In case of any discrepancy, prospective graduands are advised to submit a *copy of the certificates* used for admitting them to the university to the office of the Academic Registrar.

Please note that the order of **names in the graduation booklet** determines how names will be captured on the **final certificates** and any correction thereafter will attract a fee.
