### TO ALL STUDENTS CLASS ATTENDANCE

Tuesday, November 12, 2024

---

As you are aware, the 2024/2025 Academic Year commenced on 30<sup>th</sup> September, 2024 and **End-of-Semester** examinations had been scheduled to commence on 9<sup>th</sup> **December, 2024** and end on **21<sup>st</sup> December, 2024**. This has however been disrupted by the participation of some of our lecturers in a strike action that is unprotected.

We request all students to continue attending classes during this time and report any disruptions to their respective Directors of School. The University Management is working hard to ensure that there is provision of meaningful learning experiences during this period.

Please note that you are supposed to sign the Nominal Roll and attend **not less than 75%** of the total contact hours of each of the prescribed course unit, to be eligible to **sit the End-of-Semester examinations**.

We urge you to stay informed through official University communication channels such as website, Student portal and official social media accounts regarding any changes in the academic schedule and mode of teaching.
