INFORMATION TO PROSPECTIVE STUDENTS

TU-K Admissions Update

1. Diploma Graduates Transitioning to Bachelor of Technology Programs

Diploma graduates from the **November 26, 2024** cohort admitted to **Bachelor of Technology** programs will begin **Semester 2 classes on April 14, 2025**. Admission letters are now available for download, and students will receive SMS notifications from the **Admissions Office**.

2. KUCCPS-Placed Diploma Students

Diploma students placed by **KUCCPS for the May 2025 intake** will commence their programs on **May 5, 2025**. **KUCCPS has announced that the application portal for this group will close today, March 20, 2025**. Admission letters will be available for download once KUCCPS releases the final list of placed students. Students will receive SMS notifications once the list is finalized.

3. Module II Applicants – May 2025 Intake

Module II applicants admitted for the **May 2025 intake** will start classes on **May 5, 2025**. The admission process is still ongoing and will be conducted in **batches** as the application portal closes. Admission letters will be available for download once processing is complete for each batch.

For any inquiries, please contact the **Admissions Office**.
