REVISED UNIVERSITY ACADEMIC CALENDAR 2024/2025

Following the Senate meeting held on February 18, 2025, it was resolved that upon the safe resumption of academic activities, students would be granted a two-week revision period before the commencement of Semester I examinations.

In line with this resolution and following the signing of the Return-to-Work Formula and the suspension of industrial action by the Universities Academic Staff Union (UASU) and the Kenya Universities Staff Union (KUSU) on Monday, March 17, 2025, the Senate has approved the revised academic calendar as follows:

1.1. Semester I

Start Date	End Date	Activity
18-Mar-2025	29-Mar-2025	Revision Period
31-Mar-2025	12-Apr-2025	Semester I Examinations

1.2. Semester II

Start Date	End Date	Activity
14-Apr-2025	17-May-2025	Lectures (Week 1 - Week 5)
19-May-2025	24-May-2025	CATS (Week 6)
26-May-2025	28-Jun-2025	Lectures (Week 7 - Week 11)

30-Jun-2025	5-Jul-2025	CATS (Week 12)
7-Jul-2025	19-Jul-2025	Semester II Examinations

1.3. Semester III

Start Date	End Date	Activity
21-Jul-2025	2-Aug-2025	Marking (2 Weeks)
4-Aug-2025	16-Aug-2025	External Examination (2 Weeks)
18-Aug-2025	30-Aug-2025	Supplementary Examinations / Orientation Week
1-Sep-2025	–	Commencement of 2025/2026 Academic Year

1.4. Important Notes

- **Semester I Examinations** will now commence on **March 31, 2025**, instead of the originally scheduled **February 3, 2025**, resulting in an **eight-week delay**.
- **Semester II** will conclude on **July 19, 2025**, leaving only **six (6) weeks** for **Semester III**, which is insufficient for **Industry-Based Learning (IBL)**.
- It is therefore proposed that IBL for final-year students be allowed to continue in Semester III, while IBL for continuing students be rescheduled to a later date. Semester III shall be allocated for the following activities:
 - **Marking**
 - **External Examinations**
 - **Supplementary Examinations**

This revised academic calendar is submitted for the Senate's consideration and approval.
