SUBJECT: UPDATED ADMISSION LETTERS & HEF FUNDING APPLICATION

For New Students Placed by KUCCPS in the 2025/2026 Placement Cycle

You are required to:

1. Visit the University website and navigate to **Portals > New Students' Registration**.
2. Enter your index number to **re-download your admission letter**, which now reflects the updated **Semester I Fee amounts** as provided by the Higher Education Financing (HEF).
3. Pay the updated semester fees. The Admissions Office will then process your registration to completion. **Only after full registration will you be able to access University services, including application for accommodation.**

Important Notes:

- Ensure you have downloaded the **latest version** of your admission letter before proceeding.
- If your revised admission letter does **not** reflect the updated fee amounts, you must immediately apply for funding via the **HEF Student Portal**.
- Failure to apply for funding will result in payment of **full tuition fees (without Government subsidy)** plus additional charges.

For Continuing Students (Government HELB & Scholarship Beneficiaries)

This serves as a reminder that all continuing students benefiting from government HELB and Scholarships must **reapply for funding for the 2025/2026 academic year**.

Your **urgent attention** to this matter is required.
