The Technical University of Kenya (formerly the Kenya Polytechnic University College) has excelled in technological education and training at all levels from technician to technologists and engineers. In this pursuit, the university offers opportunities for upgrading training that recognizes credit transfer from one level to another. Holders of diplomas and higher diplomas can attain bachelor degree qualifications which will in turn enable them pursue postgraduate studies.

Pursuant to the above, TUK invites KCSE graduates, holders of Diploma in Technology, and Higher Diploma in Technology to pursue studies leading to Bachelor qualification in the respective areas.
