

THE TECHNICAL UNIVERSITY OF KENYA

VACANCY ANNOUNCEMENT

THE Technical University of Kenya (TU-K) is one of the unique public universities in Kenya whose strategic objectives are teaching and learning, research and innovation, and community service and extension. Beyond this, TU-K is expected to offer education and training that is focused on application of technological knowledge and skills. The university engages in innovation and research with a keen sense of applicability of such research in the solution of societal problems. The University wishes to recruit the following:

A. PROFESSOR – GRADE 15

The University is seeking to appoint Professors to offer academic leadership in Departments as well as participate in other University assignments in its various Faculties as indicated below.

Applicants should have a PhD in relevant area, with vast teaching experience both at undergraduate and postgraduate levels and have evidence of continued scholarly research through publications in peer refereed journals.

In addition, they must have successfully supervised postgraduate students to completion. Applicants must have served as Associate Professors in a recognized university for at least three (3) years.

The successful candidate(s) will be required to teach at both undergraduate and postgraduate levels in addition to carrying out research in their areas of specialization.
