

THE TECHNICAL UNIVERSITY OF KENYA

VACANCY ANNOUNCEMENT

The Technical University of Kenya wishes to recruit suitable candidates to fill the following academic and administrative positions:

1. TUTORIAL FELLOW (REF/NO. AC/0004/13)

Departments: *Architecture and Environmental Design • Building Science and Technology • Construction Economics and Management • Land and Infrastructure Management • Real Estate and Property Management • Urban and Regional Planning • Aeronautical and Aviation Engineering • Chemical and Process Engineering • Civil and Environmental Engineering • Electrical and Electronic Engineering • Geospatial Science and Engineering • Mechanical and Mechatronic Engineering • Computer Science and Technology • Computer Systems and Communication • Information Systems and Technology*

Applicants should be holders of a relevant Masters Degree in the areas above, or equivalent from a recognized university, with at least two years of practical training in an Architecture/Engineering/ICT industry. The applicants should be members of their respective professional bodies. They should demonstrate ability in scholarly research activity and teaching at university level. Successful candidates will be expected to pursue further training and attain higher degrees in their respective areas of specialization, and participate in research activities.

They will be expected to undertake some teaching assignments at the undergraduate level as well as participate in other activities of the Department, School, and University.

2. GRADUATE ASSISTANT (REF/NO. AC/0005/13)

Departments: *Geospatial Science and Engineering • Chemical Science and Technology • Biological Science and Technology • Civil and Environmental Engineering*

Applicants should have at least Second-Class Honours (Upper Division) Bachelors Degree in the relevant field from a recognized university. In addition, they should preferably have at least one year post-training experience in their respective areas of training in a relevant industry, or government entity. Applicants should be registered members of a professional body applicable to their training.

Successful candidates will be expected to pursue further training to attain higher degrees in the respective areas of specialization. They will be expected to participate in some teaching assignments at the undergraduate level as well as in other activities of the Department, School and University.

3. TECHNOLOGIST – GRADE XI (REF/NO. AD/0009/13)

Departments: *Chemical Science and Technology • Pharmaceutical Science and Technology*

Applicants should be holders of a Bachelor of Science degree (at least Second Class, Lower Division) in the relevant field or equivalent qualification from a recognized university, with at least three (3) years work experience as a Senior Technician or equivalent in a relevant institution. Applicants with a Higher National Diploma or equivalent and extensive work experience will also be considered. Applicants should be registered members of the relevant professional bodies and possess the necessary computer and report writing skills.

NOTE: *Applicants should forward 10 copies of their application letters quoting the REFERENCE NUMBER of the post applied for, accompanied by a similar number of certified copies of certificates and CVs. They should request at least three of their referees to forward their reports directly to the University Vice-Chancellor through the address below.*
